Wow, wow, wow...This home is immaculate. The attached wall is only partial because of the set back to the neighbour. The owner has never heard the neighbour. One of the few this large and upgraded in the area. Pulling up you will notice the extra long driveway that you can fit 4 or more vehicles on. This is also situated on a corner lot and a cut-de-sac. The cut-de-sac also has visitor parking. Walking in you are welcomed by a large tiled entrance that leads you to the double attached garage. The main level features a beautiful kitchen with granite counters, massive island, 2 pantries, nice appliances and more. The dining area is a great size and will lead you to your private back yard. The living room features a nice natural gas fireplace, large bright windows and vaulted ceilings. The primary bedroom will fit king furniture, has a large walk in closet, and a beautiful ensuite with corner jetted tub, walk in shower and more. There is also main floor laundry and a powder room completing the main floor. The lower level features an absolutely massive games/recreation/family room with gas fireplace. Another lovely bedroom, and wonderful 4 piece bathroom. There is room in the lower to put another bedroom if needed. This home is move in ready. Call your agent to view today!!
