The master bedroom is a true sanctuary, complete with a lavish 5-piece ensuite bathroom featuring a standalone tub, a spacious standing shower with a bench, and the option for a future steam shower installation. A thoughtfully appointed laundry room with upper cabinets and a sink, along with a linen closet, adds to the level's functionality and convenience. The third level offers a unique retreat, with two balconies providing stunning views of both the front and back of the property. Here, a second master bedroom awaits, boasting separate walk-in closets for his and her, as well as another luxurious 5-piece ensuite bathroom with equally impressive amenities. An adjoining bonus room offers endless possibilities, whether it's utilized as a space for entertaining guests or as a playroom for children.
