Charming 1976 Family Home in the Heart of Downtown Whitecourt – A Diamond in the Rough

Nestled in the desirable downtown Whitecourt area, this spacious 5-bedroom, 3-bathroom home offers an abundance of potential, awaiting the right touch to bring it back to its full glory. Built in 1976, this residence exudes timeless charm and offers a generous layout, just under 1200 sqft, featuring a large, bright living room and an open, airy kitchen – perfect for creating your dream home.

The main floor boasts 3 well-sized bedrooms, including a master with a 2-piece ensuite, and a classic 4-piece main bathroom. Thoughtful design throughout ensures excellent storage, with tall closets and a convenient laundry room downstairs that also provides additional storage beneath the stairs.

Step outside to a lovely lot, complete with a fenced backyard and convenient back alley access. The double detached garage, though in need of some repairs – including an overhead door and roof leakage – offers power and ample space for your projects or vehicles.

Enjoy peace of mind with recent updates, such as a new hot water tank (installed in 2022), and the inclusion of a deepfreeze. While this home does need some attention and care,

including the wood fireplaces (currently non-functional), it is brimming with opportunity and promise for those with a creative vision and a desire to restore it to its full potential.

This handymanâ€™s special is the perfect canvas for someone looking to invest in a property that offers both space and character, with endless possibilities to make it their own and build equity.
