Multi-Family on 0.00 Acres

NONE, Pincher Creek, Alberta

Great 4500 sqft commercial building, recently rezoned to allow for a conversion to a multi-unit residential building. Development agreement already in place for a proposed, very spacious 4-unit residential complex, which is now at the initial building phase. This project is highly desirable given Pincher Creek's very tight rental market, which is under supplied with newer, high quality residential units. The building is in a particularly convenient location, close to all amenities, and at the gateway of hundreds of miles of outdoor, backcountry adventures. The project is ready to go and will provide a tremendous opportunity in the center of an active, southwestern Alberta town that offers the best in country living.

Built in 1961
