4 Bedroom, 3.00 Bathroom, 1,101 sqft

Residential on 0.11 Acres

NONE, Rocky Mountain House, Alberta

Welcome to this beautifully maintained, fully finished 4-bedroom home with a spacious, oversized garage. From the covered front step, you'll be welcomed into the bright and open concept main living area. Vaulted ceilings, laminate flooring, and large windows create a warm, inviting atmosphere throughout. The kitchen features updated stainless steel appliances, a convenient pantry, and easy access to the back deck—perfect for outdoor entertaining. The adjoining dining area flows seamlessly into the generously sized living room, complete with a large bay window. The main floor is home to a spacious primary bedroom with a 3-piece ensuite, as well as a second bedroom and a full 4-piece guest bathroom. Downstairs, the fully finished basement offers even more living space, including a large family room with a cozy freestanding wood stove—ideal for staying warm and saving on heating costs. Two additional bedrooms with large windows provide plenty of natural light, and a custom 3-piece bathroom features a luxurious steam shower. The laundry/mechanical room has been recently updated for added convenience. For year-round comfort, this home is equipped with central A/C (installed just 2 years ago) and brand-new shingles in 2022. Outside, you'll find newly installed concrete sidewalks leading to the backyard and a 20'x30' finished garage, complete with 220V power, overhead radiant heat, and ample storage. A gravel parking pad next to the garage offers room for

an RV or additional vehicles. The front yard is beautifully landscaped with mature trees and decorative brick, offering great curb appeal. This home is perfect for growing families or anyone looking for a comfortable, move-in-ready property with plenty of space both inside and out!
