\$415,000

3 Bedroom, 3.00 Bathroom, 1,535 sqft

Residential on 0.16 Acres

NONE, Vulcan, Alberta

Charming and extensively renovated, this 1.5-story home seamlessly blends classic character with modern updates. Originally built in 1941, the home has undergone significant renovations within the past five years, including updated electrical, plumbing, vinyl siding, windows, and shingles. Enjoy year-round comfort with central air conditioning. The main level features a cozy living room, a bright dining area, and a well-appointed kitchen equipped with a natural gas stove, refrigerator, dishwasher, and microwave—all less than five years old. A bedroom is also located on this level, along with a convenient back entryway that includes a two-piece bathroom and stacked washer and dryer. Upstairs, the spacious primary suite offers a walk-in closet, a full ensuite bathroom, and an adjoining den—ideal for a home office or sitting area. The basement houses the utility room, featuring a high-efficiency furnace and a gas hot water tank, both approximately three to four years old. Outside, the yard is mostly fenced, providing privacy and space for outdoor enjoyment. A parking pad at the back offers private off-street parking. Located within walking distance to the library, downtown shopping, and other essential services, this move-in-ready home offers both comfort and convenience.

Built in 1941
