Residential on 0.14 Acres

NONE, Alix, Alberta

Welcome to Alberta! This grand 2 storey character home perches up on its corner lot overlooking the hill down to Alix Lake. A picturesque wrap around porch welcomes us in, through the main door a beautiful wooden staircase with built-ins say hello. As we move into the living room it becomes apparent that they used to build houses with just a little more love, from the cast iron vent covers to the feature stain glass transom windows. Three bedrooms with a very generously sized Master featuring dual closets and a lighted vanity upstairs, iconic panel doors included of course. The kitchen boasts a lot of counter space and a peninsula island where the farmhouse sink resides. There's a second doorway from here to the wrap around porch and the back deck, where a person will probably want to BBQ from, making for efficient food prep being right off the kitchen. The main floor bathroom is beautifully renovated with period appropriate penny tile and wainscotting, a gorgeous clawfoot tub and pedestal sink - timeless stylings! Main floor laundry tucked away behind the kitchen. The basement has a finished carpeted room, great for the kids or relaxing and enjoying a movie. An updated furnace and hot water heater with updated plumbing live next door, and then beyond that is a cellar. A big 50'X120' lot gives lots of room for parking at the front and under the covered carport on the north side of the house. The yard is fenced and ready to keep the babies and the pets safe an contained. A fire pit and a

pad for a hot tub make for great entertaining and lastly a garden shed and a big workshop are waiting for the green thumbs and craftsmen among us! Alix itself is a bangin' little town offering all the amenities, a k-12 school, Alix Lake AND Haunted Lakes Golf Course. But also, a fabulous location just a half hour to Lacombe, Blackfalds & Stettler and 40 minutes to Red Deer.
