Residential on 0.15 Acres

Downtown, Blackfalds, Alberta

Charming, well-kept and move-in ready. This bungalow has it all, along with a big mature yard to boot! Five bedrooms and two full bathrooms allows for lots of room for the whole family. You'll immediately note the welcoming curb appeal. The main level living area is inviting with a good sized kitchen offering newer vinyl tile flooring, plenty of counter & cabinet space, ample natural light and neutral tones. Hardwood flooring throughout the living room along with large west exposed windows makes this area a welcome spot to read a book and bask in the sunlight. Three bedrooms and four piece bathroom complete the main floor. Downstairs, you will find the family room, laundry, storage and two bedrooms along with a three piece ensuite bathroom. Outside, your backyard oasis awaits with mature trees, a custom private deck space and tons of room for yard games. The detached double heated garage keeps the snow off during those cold months and a full lot length concrete driveway offers extra space for an RV or extra vehicles. Throughout the years the home has seen new vinyl windows, updated electrical panel, shingles on house & garage (2016), high efficient furnace and hot water tank (2020). Close proximity to schools, trails, and quick access to QEII this location is prime. Time to consider this adorable home!
