3 Bedroom, 2.00 Bathroom, 1,216 sqft

Residential on 0.10 Acres

NONE, Whitecourt, Alberta

Lot included! Welcome home to this comfortable and inviting 3-bedroom, 2-bath charmer. It's got just the right mix of cozy and open, with newer flooring throughout and an easy-flowing floor plan. The kitchen? Plenty of room to spread out, with lots of counter space for cooking, chatting, or just setting down the groceries without a balancing act. The living room and dining area are open have vaulted ceilings and large windows looking onto the deck and yard.

The large master bedroom is a real treat, complete with a full ensuite and a walk-in closet that actually fits more than just a couple of sweaters. Two bedrooms are a nice size, together on the other side. Nice bonus is the 2024 hot water tank

This owner also kept up with maintenance by replacing the furnace chimney in January 2022. Step outside to a spacious deck, perfect for sipping coffee or grilling up something good. The fenced yard offers good space, features new trees, and there's even a brand-new gate for easy access. The back alley allows for yard access or parking.

A home that just feels right. Come take a look.
