What's not to love about this home! Besides being a Sol-Tech, R-2000 built home with low utility bills, it has everything you could wish for! This home comes with an inviting front porch and front yard picket fence, giving it country charm with the convenience of being 2 houses away from the Sheep River with it's walking/biking path system. Big Rock Elementary School is near by as well as shopping and amenities. Upon entry there is a warm inviting family room with vaulted ceiling. The bright kitchen has been renovated with unique features, a breakfast nook area which welcomes the morning sun.
