Residential on 0.20 Acres

Ross Glen, Medicine Hat, Alberta

Wow, this one is a hidden Treasure!!! Located at the end of the peaceful Rice Bay cul-de-sac, a stone's throw from the Ross Glen Coulee trail and the Medicine Hat Christian School.

The backyard is HUGE, with a land plot over 8500 sq feet; this allows plenty of room for RV parking (gate already in place) in the back or any other back yard vision to unfold. There are a variety of beautiful trees waiting to flourish in the warmer months.

The vibe of this home is hip and has a style to it that will speak to your heart. With 4 spacious bedrooms and 2 full bathrooms—plus the potential for a third bathroom on the third level—this home offers tons of space for growing families or those who love to entertain. Step inside to an open and airy layout flooded with natural light, thanks to large windows throughout the home. The kitchen has stylish upgrades like the white tile backsplash and newer appliances boasting a BOSCH Dishwasher. The main living areas feel warm and welcoming, featuring a brick front exterior that adds timeless curb appeal. This is not your average 4 level split, the layout and finishes feel custom and high quality for its era. For example, the wood beam at the peak of the vaulted ceiling, and the straight lines of the solid wood railings. There is sooo much to Love!

The spacious primary bedroom includes a walk-in closet and private ensuite with walk-in shower, creating a perfect retreat at the end of the day. The laundry is conveniently located

on the third level (instead of in the lower basement). The home also features a fully undeveloped basementâ€”a blank canvas ready for your finishing touches. Updates include a newer furnace and central AC (2023), as well as most windows replaced in 2008, with the remaining six upgraded in 2022. Youâ€™ll love the double attached garage with a new garage door opener (2021), and the 2020 kitchen appliance package featuring a Bosch dishwasher and electric stove. The nice-sized backyard is ready for outdoor enjoyment and is already wired for a hot tubâ€”perfect for relaxing evenings. Donâ€™t miss your opportunity to own this bright, inviting home in a sought-after neighborhood. Book your showing today!
