MLS® #A2218433

\$1,250,000

5 Bedroom, 4.00 Bathroom, 1,993 sqft

Residential on 14.93 Acres

NONE, Rural Camrose County, Alberta

It's ALL here, just minutes to town! Set up on a sloping hill, overlooking the fields and lights of Camrose in the distance, you'll find this STUNNING HOME, AMAZING SHOP and almost 15 ACRES. Yes, you can enjoy the sunrises & sunsets too. This Pan Abode cedar home, with wrap around decking, has almost 2000 sq. ft of living space on the main level. You'll love the country feel, gorgeous open concept living area and tons of natural light pouring in the windows and 4 skylights (2 of them have remote blinds)! Plus the fact this home has undergone extensive renovations: Brand new kitchen with quartz countertops & appliances, triple pane windows, fiberglass doors, TWO air conditioners and new decking. The main level offers a spacious primary suite with WIC & 4 pc. ensuite, 2 more bedrooms, the laundry room, and the main washroom ... but the best part is the open living area (complete with cozy gas fireplace) overlooking the countryside. There's even a "bonus" room too, for whatever your heart desires (music, reading, crafting, or just extra eating area when the family comes over). The lower level offers a HUGE games/family room, another bedroom and washroom (w/ steam room), an office (or another bedroom), LOADS of storage and it's a "walk-out". Let's talk for a minute about all the "outdoor living space" to enjoy! Whether you want sun or shade, you can choose the composite decking or patio on 3 sides of the home. Sit, relax and enjoy the view! A few other details: there are BBQ gas

hook-ups on both the front & back of the home, in-floor heat in the basement, CITY of EDMONTON water, NEW septic field, NEW water well, paved driveway, and a raspberry patch. You'll appreciate the attached double (24'x24') heated garage and shop space that will house any project or vehicles necessary. The West (unheated) shop part is 30'Wx60'L, the East (heated) part is 30'Wx40'L and boasts a mezzanine & 2 pc. washroom, and the North (unheated) part is 32'Wx30'L. Bring the kids, friends and pets ... welcome home! p.s. it's fully fenced, just needs a gate at the laneway.

Built in 1993
