3 Bedroom, 3.00 Bathroom, 1,087 sqft

Residential on 0.17 Acres

Southridge, Lloydminster, Alberta

Rebuilt from the foundation up in a mature Southridge location. This home sits on a solid 1976 concrete foundation, with everything above it completely rebuilt in 2007. Located on a quiet street within walking distance to Lloydminster Comprehensive High School and Anniversary Park, it offers a great blend of space, function, and long-term value.

The main floor is open and bright with an easy-flow layout and lots of closet space. There are three bedrooms up—one currently used as a main floor laundry room for added convenience. The 3-season sunroom off the kitchen adds bonus living space - perfect for morning coffee or evening downtime. The primary bedroom includes a 2-piece ensuite.

Downstairs, the family room features a dry bar and is plumbed for a future gas fireplace. One room could be used as a bedroom with a simple egress window insert change and there's a 3-piece bathroom, second laundry hook-up, and plenty of storage throughout the basement.

The yard is private and well-kept, with storage sheds, a carport, and a double detached garage—a rare combo in this area.

This one checks a lot of boxes—quiet street, mature neighbourhood, modern rebuild, and room to grow.

Built in 1976
