Residential on 0.05 Acres

Sagewood, Airdrie, Alberta

Incredible opportunity to own this gorgeous 2-storey townhome with 3 bedrooms and 3 bathrooms! This END UNIT home is in the most sought after location in the complex and is the largest plan available. Backing onto a huge soccer field, this is a great option for children, as they can play to their hearts content and also simply walk through the gate in the backyard to go to school. Inside, you'll love the updated VINYL PLANK floors and the open concept design. The kitchen and living room both have massive picture windows, so you can keep an eye on the kids while they play and also enjoy the east and west exposures. There is also a 2 piece bath on this level and a spacious pantry. Out the back door is a small deck that leads to a larger private patio for summer evenings & BBQ's. Upstairs, the primary suite is generously sized with a rare 3 piece ENSUITE and a walk-in closet. Two additional bedrooms with great views and a 4 piece bathroom round out this level. The undeveloped basement is great for storage and laundry. There is a bathroom rough-in already in place for future development. This is a very well managed complex in an extremely quiet part of Airdrie. Backing Ralph McCall Elementary, across the road from Our Lady Queen of Peace Elementary and a short walk to CW Perry Middle School, you cannot ask for more kid-friendly convenience. Additional perks include two assigned parking stalls, plenty of visitor parking and a thriving community garden. This is a pet-friendly

complex, with 2 cats or dogs allowed up to 10 kg each
