Residential on 39.66 Acres

NONE, Rural Beaver County, Alberta

Calling all homesteading hopefuls and hobby farm enthusiasts! This acreage has endless potential. The 32x44 shop gives plenty of room to spread out. There is a 12x20 cabin, heated by wood-burning and gas, and another cabin with a greenhouse has laundry for those long days in the yard. Two bunkhouse-style buildings provide room for company. Beyond the outbuildings are older corrals and newer fenced areas and a livestock waterer. The remaining acres are used for pasture and a few bales. Among mature trees are mature fruit trees/bushes incl. pear, plum, several apple varieties and saskatoons. In the house, a massive primary bedroom has an exit to the west-facing deck. A 4-pc bath and 2nd bedroom complete the upper story. A wide staircase leads to a dining room with a fireplace. The kitchen has tons of light and an extended island. A 3-pc bath is on the way to a room that could be used as another bedroom/den/living room, with a 2-pc bath and a 3-season room perfect for anything you can dream.
