Step inside and feel immediately at home in the bright, open living room, where large south-facing windows fill the space with natural light. A beautiful gas fireplace adds warmth and charm, perfect for Calgary's colder months. The open-concept kitchen features a breakfast bar for quick meals, while the adjoining dining area is great for family dinners. A 2-piece bathroom and access to a large back deck complete the main floor, along with a double detached garage equipped with a 40-amp sub panel and a brand new garage door opener.

Upstairs, the home offers three bedrooms, including a spacious primary suite with a 4-piece ensuite. Two additional well-sized bedrooms and a full 4-piece bathroom provide plenty of space for a family. The basement is undeveloped, giving you the freedom to design and finish it to suit your needs.

Located on a desirable corner lot with only one neighboring home to the west, this property also includes central air conditioning, a 1.5-year-old water heater, a well-maintained furnace, and a new washer and dryer.
