FROM BEACH BOYS TO LUXURY –
LAKEFRONT LIVING IN CRYSTAL SHORES

Welcome to 188 Crystal Shores Drive, where laid-back lake vibes meet elevated luxury in Okotoks's™ only lakefront community. With a south-facing backyard, private dock, and over 2,900 sq ft above grade plus a fully developed walkout basement, this home invites you to live your best year-round resort lifestyle.

Step inside and be greeted by a sunny home office behind French doors, complete with built-in cabinetry and shelving – a perfect space for quiet productivity or creative pursuits. Host gatherings in the formal dining/flex room, or unwind in the family room featuring lake views, a gas fireplace, and built-in bookcases.

The chef's™ kitchen is a true showpiece with floor-to-ceiling cabinetry, granite countertops, a gas range, updated appliances, and a charming walk-through pantry with rustic barnboard accents, industrial shelving, a coffee station, and a second fridge/freezer. A mudroom with custom lockers and a built-in bench leads conveniently into the pantry and kitchen.

Upstairs, retreat to your king-sized primary suite with stunning lake views and a spacious walk-in closet – the luxurious ensuite features dual vanities, a soaker tub, and an oversized

shower. Two more large bedrooms are connected by a Jack-and-Jill bathroom, each with its vanity, private toilet/shower space, and built-in desk and bookcase. The second-floor laundry room offers floor-to-ceiling storage, while the bonus room flexes to suit your family’s needs.

Downstairs, the walkout basement is built for fun and function with space for a home gym, theatre area, and a wall of built-ins for games and gear. The lower-level mudroom is perfect for drying off after a lake swim or lacing up skates in winter. A full bathroom and additional bedroom complete the space.

Outdoor entertaining? You’ve got it covered with a Duradek upper deck installed in 2024, two retractable awnings, a gas line for your BBQ, and a fully fenced dog run for your four-legged family members. Mechanical highlights include two furnaces (one newer), two A/C units (one newer), a combi boiler for in-floor heat in the basement and garage, tankless hot water, and updated irrigation.

And don’t miss the heated triple garage – configured with one double door and one single, plenty of room for vehicles and gear, plus in-floor heat and workbench space for year-round comfort and function.

This property has every version of your best life, from beach towels to wine glasses and dog toys. Welcome home to Crystal Shores – where good vibrations meet refined lakefront living.
