Residential on 3.50 Acres

NONE, Plamondon, Alberta

This 1978 home is being offered for sale AS-IS. This 6 bedroom/ 3 bathroom house does need some work despite the beautiful photos that are shown. There is a second kitchen for canning/butchering or for a homebased business, plus it has a double attached garage and a 60x28 heated and insulated shop with a lien-to. A walk out basement leads you onto the riverside where there is also a covered upper deck overlooking the river and a lower covered deck where you could also put a hot-tub. This home has many great features including a massive primary bedroom with walk in closet and 4 piece ensuite, plenty of room inside and out plus it's paved all the way to this home. Check out the photos, the 3-D tour or ask the listing agent for the link to full 13 minute walk through the property.
