This beautifully updated half duplex offers stylish comfort and a prime location directly across from a park. Step inside to a welcoming living room anchored by a rock-faced fireplace with a raised hearth. Newer vinyl plank flooring flows throughout the main living areas, including the bright kitchen and dining space, where you'll find pearl-toned maple cabinets, quartz countertops, and a new dishwasher. The main floor also features two bedrooms, including an exceptionally spacious primary bedroom. The fully developed basement adds even more living space with a large family room, a third bedroom, a 3-piece bathroom, a large laundry room and a versatile flex room that's ideal for a home office or hobby space. Thoughtful renovations throughout include vinyl windows, updated flooring, modern casing and baseboards, refreshed bathrooms, lighting, a high-efficiency furnace, and a hot water tank. New shingles were done in 2019. With all the updates already completed, this home is move-in ready—just unpack and enjoy.
