4 Bedroom, 3.00 Bathroom, 1,176 sqft

Residential on 0.16 Acres

Winston Churchill, Lethbridge, Alberta

This well-maintained 1176 square foot bungalow is located in a quiet cul de sac, just minutes from schools, shopping, and other amenities. The main floor offers three good-sized bedrooms and two bathrooms, including a convenient two-piece ensuite off the primary bedroom. The spacious kitchen provides plenty of room for cooking and storage, and opens to a formal dining area that flows into a large living room, perfect for gatherings or relaxing at the end of the day. Downstairs, the basement includes a fourth bedroom with a window that does not meet current egress standards, a newer bathroom, and a mostly open layout ready for future development. The home sits on a large lot with ample outdoor space, a partially covered carport, and an 18 by 24 garage offering extra storage or workspace. This property provides a solid layout with great potential for customization.
