4 Bedroom, 4.00 Bathroom, 2,358 sqft

Residential on 0.15 Acres

Highwood Lake, High River, Alberta

Discover Executive living in this custom built two-storey home; on sought-after High Country Rise! An inviting slate foyer opens to a bright main-floor den; while the chef's kitchen impresses with solid-wood cabinetry, huge island with eating bar, walk-in pantry and expansive counter space. The adjoining dining nook and living room showcase picture-perfect Rocky Mountain views, custom built-in cabinetry and gas fireplace. Step outside to an extraordinary covered patio, complete with built-in hot tub - overlooking a fully fenced, irrigated yard with raised perennial beds and garden shed. Up the graceful wood staircase, the upper level offers a spacious family/bonus room, convenient laundry, two generous secondary bedrooms and a 4-piece bathroom. The sun-kissed primary retreat spans east-to-west, boasting a 4-piece spa ensuite (make-up station, soaker tub, walk-in shower) and walk-in closet. The in-floor-heated basement is entertainer-ready with a large recreation area, additional bedroom and 4-piece bathroom. Extras you'll love: air conditioning, water softener, oversized double garage with heated epoxy floor, gemstone lighting, high efficiency hydronic heating system, custom coat storage in the mud-room and abundant windows throughout. All this is minutes to schools, parks, pathways, golf course and Highway 2 for an easy Calgary/Okotoks commute. Stylish, meticulously maintained and move-in ready - this High River gem is the whole package!
