Wonderful 3 level split home ready for your family! The main floor features a large living room with bay window and a spacious kitchen/dining room with plenty of cabinets, a corner pantry and newer appliances including an all freezer/all fridge combination. The upper level boasts 3 nice sized bedrooms and a full bath. The lower area has a family room, additional bedroom and a 2 piece bath. Enjoy the cool in your home on those hot summer days with the central air conditioning. There is a huge concrete crawl space under the main level perfect for all kinds of storage needs. Outside you will love the huge yard featuring a covered rear patio with beautiful stamped concrete, a paving stone patio with pergola, 2 storage sheds and R.V. parking pad. The oversized double garage (24 X 28) is heated and ready for your vehicles and projects.
