Agnes Davidson, Lethbridge, Alberta

Here's a great property in an awesome neighbourhood! This home is perfect for a family with young children as it features 3 spacious bedrooms on the main floor. It also has a bright & sunny living room and a kitchen with lots of pantry space as well as additional storage in the dining area. You'll love the original hardwood throughout - it's been so well maintained! The lower level has a 3 piece bath, a large family room and space for a computer or games area as well as a bedroom. There is a lot of potential in the lower level - design it and renovate it to your taste! The back yard is nicely landscaped with room for an RV to park off the paved alley. For those evenings when a batch of s'mores is in order, there's a perfect patio area and fire pit for that! The driveway and carport allow for lots of off street parking. The hot water tank & A/C unit are newer and there have been a few windows replaced. The furnace has been checked out and is running well. This property is located close to Agnes Davidson elementary school, the green belt & park area.
