Welcome to this stunning and stylishly upgraded 2008 bi-level home, nestled in the heart of Sundre, Alberta. Lovingly cared for by its original owner, this 5-bedroom, 3-bathroom home blends comfort, functionality, and eye-catching design. Over the years, the home has been thoughtfully enhanced with numerous upgrades, adding both modern convenience and aesthetic appeal. From custom soft-close kitchen cabinets and heavy-duty shelving in all closets and pantries to beautifully updated finishes throughout, every detail has been considered. The bright and inviting kitchen features a breakfast nook, two pantries, and newer stainless steel appliances (fridge and dishwasher are just 5 years old). Custom-ordered blinds add a refined touch to every room. The spacious primary bedroom offers a peaceful backyard view and a private ensuite complete with a relaxing jetted tub. Downstairs, oversized windows fill the lower level with natural light, where you'll find two additional bedrooms—one with a walk-in closet—as well as a dedicated laundry room with a brand-new washer and plenty of storage. The home also features in-floor heating in the basement and a water softener, adding to year-round comfort and efficiency. The fully finished, insulated double attached garage includes built-in shelving for ultimate storage. Outside, the beautifully landscaped yard backs onto undeveloped green space, offering privacy and tranquility, with dual access points

for convenience. This home stands out not only for its immaculate condition but for its stylish, well-planned upgrades. A rare opportunity to own a move-in-ready home with designer touches in one of Sundre’s most sought-after areas.
