Residential on 0.12 Acres

Copperwood, Lethbridge, Alberta

Welcome to one of the best locations in Copperwood—this beautiful two-storey walkout sits on a large pie-shaped lot that backs directly onto Coalbanks Park. Whether you're sipping coffee on the back deck or watching the kids at the playground from your kitchen, this home offers one of the most family-friendly views in the neighbourhood.

Inside, you'll notice the natural light right away—with big, beautiful windows, and this main floor doesn't disappoint. The layout is designed with busy families in mind: a spacious mudroom with built-in lockers flows into a walkthrough pantry with loads of storage, leading into a stylish kitchen with a big island, gas range, and stainless steel appliances.

Upstairs is where this home really shines—four bedrooms all on the same level, plus a bonus room for movie nights or a quiet play space. The primary suite is tucked away for privacy and features a 5-piece ensuite and a massive walk-in closet.

Downstairs, the walkout basement adds even more flexibility with a fifth bedroom, full bathroom (with double sinks), and a handy kitchenette, own laundry —ideal for guests, in-laws, or older kids wanting a bit more independence.

Copperwood is a community built for families,

with schools, parks, and amenities all close by.
Homes like this donâ€™t come up
oftenâ€”especially with this kind of location.

This one is worth seeing in person!
