Residential on 0.16 Acres

Hillcrest, Hinton, Alberta

This solid home is located on the upper hill and offers close proximity to schools and recreational trails. An attractive price point given it's location, this property has great features including a walk-out basement, plenty of parking, and a large private yard. The main floor features the large eat-in kitchen which has been opened up to the living room. There are patio doors off the kitchen and living room onto the south facing back deck. In addition, there are 2 spacious bedrooms and a large bathroom with a massive vanity on the upper floor. The basement benefits from large windows and lots of natural light. There are 2 more bedrooms, a 3pc bath, and a cozy family room on this lower level. Plus, there are two large storage rooms/flex spaces and a nice size laundry room in the basement.
