Connaught, Medicine Hat, Alberta

If you've been waiting for a beautifully updated home in the sought-after Connaught area—this is one you have to see! This 4-level split has been fully TRANSFORMED with no detail overlooked. From top to bottom, everything was updated in 2014, giving you the feel of a brand-new home tucked into one of Medicine Hat's most established neighbourhoods. Step inside and you'll love the modern touches: quartz countertops in the kitchen and all bathrooms, hand-rubbed maple floors, stylish 12x24 tile, and a sleek stainless steel appliance package. Every major system has been replaced too—windows, doors, furnace, A/C, wiring, plumbing, insulation, and drywall. Even the driveway and sidewalks were redone! In the last couple years a Front entrance was added to further elevate this perfect home!! The third level walkout leads you right into your backyard, while a stunning gas fireplace adds cozy charm inside. It truly feels like new construction, but with the character and convenience of a mature neighbourhood. Homes like this don't come up often in Connaught—don't miss your chance to make it yours.
