3 Bedroom, 2.00 Bathroom, 1,284 sqft

Residential on 0.20 Acres

NONE, Vulcan, Alberta

This three-bedroom bungalow offers a fantastic location in the Town of Vulcan—just one block east of the Vulcan Golf Course Clubhouse and one block west of the public park and seasonal outdoor swimming pool. The main level includes a bright living and dining area, kitchen, full bathroom, and two bedrooms. The primary bedroom features built-in drawers and closet. A cozy sitting room off the dining area leads to a partially covered back deck, perfect for relaxing or entertaining. The basement provides plenty of additional living space with a large family room, a third bedroom, den, laundry/utility room, cold storage, and a bar/kitchenette area. The backyard is fenced with large mature trees offering shade and privacy. A 35' x 18' detached single-car garage and an oversized driveway provide space for multiple vehicles or RV parking. Appliances include a refrigerator, stove, and dishwasher (approximately 5 years old), along with a newer washer and dryer. With a little TLC, this home has plenty of potential for its next owners to make it their own.
