3 Bedroom, 4.00 Bathroom, 1,134 sqft

Residential on 0.04 Acres

Oriole Park West, Red Deer, Alberta

This isn't your typical townhouse complex. Positioned at the end of Oldford Close, this home enjoys a more private setting with extra off street parking and fewer direct neighbors, giving it a quieter, more open feel. From the moment you walk in the door, the pride of ownership is unmistakable; this unit is spotless. The kitchen is anchored by an island layout, an efficient upgrade that creates uninterrupted flow into the living room. Here, oversized windows frame the living room and kitchen spaces in natural light, and you'll find a powder room, making the main floor as inviting as it is functional. Upstairs, you'll find two private areas, each with its own ensuite. No compromises, no shared spaces; just well designed comfort. The lower level transforms the home: a king-sized bedroom, a third full bathroom, and a laundry space finished so lovingly it feels like part of the living space, a wonderful design feature!

Step out to a deck designed for peace and sanctuary, or into a garage that feels more like a showroom... fully finished, painted, and organized to perfection. Don't drive? No problem, transit stop is at the end of the close. All of this with low condo fees, in a home that stands out in every way. Impeccably maintained, cleverly designed, and move in ready for you!
