3 Bedroom, 1.00 Bathroom, 1,379 sqft

Residential on 0.11 Acres

Downtown East, Stettler, Alberta

Here we have a handyman special. This place has a great layout with a good sized kitchen, dining area, 4 piece bathroom, and a very large living room on the main level. Upstairs there are 3 bedrooms, one of which being a large master. The basement is partially finished and is currently being utilized as a bedroom, but would make a great den. Outside you have parking for 2 vehicles, some large trees for shade and a good sized lawn. For the right person, I believe this home does have some potential.

Built in 1934
