RIVERSIDE RV PARK in Sundre. A great summer home or a weekend retreat. This unit is located in phase 5 which is the most private part of the park and probably the largest lot as well. Backs onto a year round spring fed creek and common condo land. Very private. The subject has a 12' x 28' covered deck. The front yard has a gravel parking pad with some flower beds. The rear yard is landscaped with a fire pit area as well as some lawn. There is a small creek located at the rear of the property. Timber Ridge by Woodland Park, park model structure. The CSA # is 2241-Series, Issue # 3656. Well maintained. Parking Pad, Covered Deck. This is a seasonal unit as water and sewer are shut off during winter months. Riverside is a gated community located within the town of Sundre along the West Bank of the Red Deer River. Year round caretakers patrol the park and maintain inside cleaning of the clubhouse washrooms and laundry facilities. The property can be used in winter as the front set of washrooms and laundry facilities are open year round. Lots of winter campers here who bring their water and use a porta-potty. Condo fees covers caretaker fees, garbage disposal, seasonal water and sewer and maintenance on park owned facilities.
