Residential on 0.12 Acres

Aspen, Blackfalds, Alberta

A fully developed bilevel! The entryway greets you with an upgraded light fixture. The living room is flooded with natural light through the large triple-pane front window. Oak kitchen cabinets are accented by upgraded hinges and pulls, some newer stainless steel appliances, including the stainless steel hood fan (2025) and the Bosch dishwasher (2-3 years ago). There is also a double oven for your convenience. The eating area has a patio door to the back deck that leads to the mature yard. The primary bedroom is a nice size with wood shelving in the closet. There are two more bedrooms and a 4 piece bathroom with vinyl plank flooring, a banjo cabinet, a medicine cabinet and a jet tub/shower. The basement has a family/games room with parquet flooring, a 4th bedroom and a newly finished 3 piece bathroom with tiled floors and granite countertops. The poly b plumbing has all been changed to pex plumbing in September 2025. Renovations about 15 years ago include: windows changed to triple pane vinyl, shingles, the front and back doors, furnace, A/C, tankless hot water, water softener & filtration. The backyard is landscaped, fence, has a shed, electrical ran to the post & mature trees. A great location steps away from parks and schools.
